

## Measures Against Coronavirus (COVID-19) at Kyoto Experiment Spring 2021

In order to ensure the safety and security of visitors, artists and festival staff, Kyoto Experiment will take measures to prevent the spread of coronavirus (COVID-19) in accordance with The Association of Public Theaters and Halls in Japan and the guidelines in place at each festival venue. Please note the contents of the festival program may change depending on the spread of coronavirus (COVID-19). Full details and the latest information on measures to prevent the spread of coronavirus (COVID-19) will be published on the festival website. Please check the website before visiting the festival.

Please note the below information when visiting the festival venues. (January 8th 2021)

### Before visiting the venue:

- If you have a fever, sore throat, signs of a cold or are not feeling well we kindly ask you to refrain from visiting the venue.
- We ask for your cooperation in wearing a face mask when visiting festival venues and watching performances.
- Please note that due to ventilation measures at venues and in the theatres, the temperature in the auditorium may be variable.

### At the venue:

- We ask for your cooperation with temperature measurement with a non-contact thermometer. Please note you will not be admitted if you have a temperature of 37.5 degrees Celsius or above.
- We ask for your cooperation in disinfecting your hands and maintaining social distance.

### Kyoto Experiment is taking the following measures:

- Notices of measures against coronavirus will be displayed at the venues.
- Venues are regularly ventilated.
- Hand sanitizer is installed at venue box office and lobby.
- Door handles, handrails, chairs and tables are regularly disinfected.
- Box office and theatre staff will carry out their duties wearing face masks.

### After the performance:

- Please refrain from meeting with performers and staff.
- After the performance, we kindly ask you to leave the venue without stopping in the lobby. We may also ask audience members to leave the venue in sections, we kindly ask for your cooperation in advance.

Providing contact information:

- We request all audience members to provide their name and contact number.
- In the event that a person infected with coronavirus (COVID-19) is found to have been present at a festival venue, the festival will promptly report and share the name and contact number with the local public health center. Personal information received is not used for any other purpose. The information will be kept for four weeks and appropriately deleted.
